### The role

The role of the Facilities Operative is to keep our site clean and well maintained. This includes cleaning offices, classrooms, kitchens, toilets and periodic deep cleaning of internal and external spaces. The postholder will also be responsible for a basic level of ongoing maintenance, including replacing fixtures and fittings, touching up paintwork and moving and assembling furniture, as well as some health and safety related duties such as periodic fire alarm testing.

### Who we are looking for

Our ideal candidate will understand the importance of high-quality cleaning and know their way around a toolbox. You'll understand infection control and the importance of planning your cleaning tasks to ensure all tasks are completed effectively to a high standard. You'll be capable of performing a physical role and will be self-motivated.

### About us

At Share, we're passionate about supporting disabled people to set their own goals for learning and life, and then helping them to achieve their aspirations. The majority of our participants are people with learning disabilities and/or autism. We offer a range of training, employment, personal development, and leisure opportunities. We won employer of the year at the Wandsworth Business Awards in 2019, we hold gold Investors in People accreditation, and we are accredited by the National Autistic Society. We have three sites – our head quarters in Clapham Junction and our Share Garden in Tooting, (where this role is based), and a disability hub in Brixton.
